Enjoy the pleasant warmth of the showering waters in an enclosure that is the focal point of a room that most of us spend a lot of time in. Notice the reaction you get when others see the investment you have made in your home. Nice, isn't it? You can make it possible when you work with **Aurora Glass!** Their expertise, along with CRL's selection of beautiful hardware, is how it's done.

*NOTE: Do not exceed maximum door weight or width when choosing proper quantity of hinges.

The Classique Shower Door Hinge is a design apart from traditional hinges. The beautiful round design and beveled edges are the result of an artist's unique concept of the perfect hinge for décors with strong curved and contoured influences. The Classique's beveled edges make an excellent presentation of sleek design, while the solid brass construction ensures superior quality and long life.
